

HERITAGE FARMS

CHRISTMAS VILLAGE

**December 4th, 5th,
11th, and 12th!
\$12 per person**

5:00 – 9:00 p.m. each evening

Heritage Farms has taken these steps to ensure the safety of our guests and our staff.

- Limited admission to approximately 40% of our capacity.
- Contactless entry with all tickets pre-purchased online at www.heritagefarmmuseum.com Tickets will not be available on site.
- Parking is at Heritage Farm which eliminates the need for shuttle buses.
- Masks are required for visitors and staff
- Physical distancing of 6 feet or more will be monitored
- Limiting the number of people in indoor venues
- Frequent sanitization of touch points.

Experience Christmas Village

Purchase **handcrafted gifts** from artisans in the Artisan Center. Choose from gifts made by our basket weaver, spinner/weaver, tinsmith, and woodturner as well as honey and “bee” items from a local apiary.

Above the Artisan Center, purchase a cookie for your child to decorate in Heritage Hall. Our staff will direct you to an empty table. After opening the prewrapped cookie and containers of icing and sprinkles, enjoy watching your child **decorate the cookie**. After you leave, our staff will clean the table for the next family.

Cross the bridge to enter the Village. The **Live Nativity** will take place in the field by the blacksmith shop each evening at 6:30, 7:30 and 8:30. The presentation of scripture and music is approximately 15 minutes in length.

Applebutter Inn hosts animated Christmas scenes.

The **church** invites you to sit and enjoy the recorded music. Please leave room for angels beside and around you.

Follow **Candy Cane Lane** to find **Frosty the Snowman** and take a **wagon ride** to see more light displays. Only your family or COVID unit will be seated in each wagon.

Tour the **museums** to learn of life in the 19th century. Progress, Transportation and Industry Museums are open.

Vittles is the location for you to purchase hot dogs, hot chocolate, snacks, etc. Only one person from your family should order at the window. Seating can be found at the picnic tables and benches outside in the Village.

The **Nature Center** will be alive with “fireflies” and animals native to Appalachia.

Santa Claus is in his sleigh in the Children’s Activity Museum. Take a picture of your children in front of the sleigh with Santa while physically distanced.

The **12 Days of Christmas** display is on the way to Santa’s MakeShop. This display was painted by local artist, Larry Sumpter.

A **miniature Christmas Village** is on display in the cabin just beyond the 12 Days of Christmas display.

Your child can make an ornament in **Santa’s MakeShop**. Pick up a craft bag for each child. Our staff will direct you to an empty table where your family can make the craft. When you leave, our staff will sanitize the table for the next family.

The **2001-2010 mural** is on display in Santa’s MakeShop. Tim Decker completed this last winter, but due to COVID, this is the first time the public can view it. This complements the other murals for each decade beginning with 1940 that was previously displayed at Tascali’s restaurant in Barboursville.
